Product Summary

The Bistro table is offered as a 30" cafe table, influenced by the style of Arts and Crafts furniture. This table is also handcrafted from HDPE recycled material and joined by using stainless steel fasteners. Perfect for coffee and a book or catching up for lunch with a friend, the Bistro holds true to Fire and Feast's quest to provide high quality outdoor furniture, while also repurposing plastics which would otherwise wind up in the landfill.

The Bistro is available in 20 solid colors, as well as a two tone combination of white and any other solid color. For any other color combination, select the option "Email or Call" from the dropdown list of colors below and you will be contacted by a Fire and Feast craftsman to discuss and confirm your custom color selection.

WHY HDPE?

Fire and Feast furniture is constructed using 18-8 stainless steel fasteners, thus preventing corrosion and rust on furniture hardware and more...

HDPE lumber stops hundreds of millions of plastic containers from entering the landfill waste stream through the production of recycled HDPE resin made from post consumer materials, thus supporting a net positive impact on the environment

HDPE furniture is resistant to mold, mildew, and UV sunlight

HDPE used in building Fire and Feast furniture does not splinter, warp, crack, or split, unlike wood

HDPE is uniform in color throughout the material and is subject to minimal fading, thus eliminating the need to paint

The only maintenance needed is an occasional seasonal wash with a hose, mild soap, and a soft brush to rinse accumulated dirt
